

SUSTAINABILITY IN YOUR COMMUNITY

\$2,000 SCHOLARSHIP CONTEST

IDENTIFY A CHALLENGE

What is a sustainability challenge that you see in your community? It could be technological, social, environmental, etc.

DEVISE A SOLUTION

Use your creativity to propose an original solution to the challenge. You may do research to assist you.

DOCUMENT YOUR PROPOSAL

Use one of two methods to present your proposal to the evaluators: 1. write a 1000-word essay explaining the challenge and proposed solution; or 2. create and produce a 5-10 minute video explaining the challenge and proposed solution.

SUBMIT YOUR PROPOSAL

Share your essay or video, with your name, student ID #, and school site, through Google Drive with Diane Walker, dwalker@avhsd.org, by no later than December 14, 2018.

ELIGIBILITY

Contest is open to AVUHSD seniors, who will be pursuing a STEM undergraduate degree in the Fall of 2019. Three \$2,000 scholarships are available to be awarded from Lockheed Martin.

SELECTION OF 3 WINNERS

Submissions will be judged by a panel of industry experts from Lockheed Martin and AVUHSD staff in January of 2019. Winners will be notified in Spring 2019 (college admissions/declared major letter must be provided by winners by May 1, 2019 to receive scholarship funds).
